What is America becoming? Or, more importantly, what can she be if we reclaim a vision for the things that made her great in the first place? In *America the Beautiful*, Dr. Ben Carson helps us learn from our past in order to chart a better course for our future. From his personal ascent from inner-city poverty to international medical and humanitarian acclaim, Carson shares experiential insights that help us understand: . what is good about America . where we have gone astray . which fundamental beliefs have guided America from her founding into preeminence among nations Written by a man who has experienced America's best and worst firsthand, *America the Beautiful* is at once alarming, convicting, and inspiring. You'll gain new perspectives on our nation's origins, our Judeo-Christian heritage, our educational system, capitalism versus socialism, our moral fabric, healthcare, and much more. An incisive manifesto of the values that shaped America's past and must shape her future, *America the Beautiful* calls us all to use our God-given talents to improve our lives, our communities, our nation, and our world.
