Written for fans of actionadventure stories who like the added elements of mysticism and science fiction, Meteor Strike takes the reader on Joshs perilous journey to save the earth and find his true destiny. For the eight years since the brutal murder of his wife Amanda, an undercover FBI agent, Josh Carr has worked as the covert asset of her mentor, FBI Special Agent in Charge Ben Keller. An unknown virus attacks the livestock and residents of the desert region. Small, strange, never before seen, insects are found eating the remains. As they grow larger and larger, authorities are frightened further, discovering they prefer humans. Josh, the last living descendant of an all but extinct race, the Mayanesse, who have the ability to commune with the Spirit World, is tapped to help find the missing people and help divine the origin of the mysterious virus. What he finds will shake the beliefs of the entire world, and sets him on a path of discovery that uncovers the true legacy of his people and their incredible powers. His search leads him to two alien cultures, and the knowledge that Earth is an unknowing pawn in an impending extragalactic war.
