## THE ISLAND OF FAITH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is curious that this part of town is seldom featured in song or story, for it is certainly neither dull nor unproductive of plot. The tenements that loom, canyon-like, upon every side are filled to overflowing with human drama; and the stilted little parks are so teeming with romances, of a summer night, that only the book of the ages would be big enough to hold them-were they written out! Life beats, like some great wave, up the dim alleyways-it breaks, in a shattered tide, against rock-like doorways. The music of a street band, strangely sweet despite its shrillness, rises triumphantly above the tumult of pavement vendors, the crying of babies, the shouting of small boys, and the monotonous voices of the womenfolk. In almost the exact center of this district is the Settlement House-a brown building that is tall and curiously friendly. Between a great hive-like dwelling place and a noisy dance-hall it stands valiantly, like the soldier of God that it is! And through its wide-open doorway come and go the girls who will gladly squander a week s wage for a bit of satin or a velvet hat; the shabby, dull-eyed women who, two years before, were care-free girls themselves; the dreamers-and the ones who have never learned to dream. For there is something about the Settlement House-and about the tiny group of earnest people who are the heart of the Settlement House-that is like a warm hand, stretched out in welcome to the poor and the needy, to the halt in body and the maimed in soul, and to the casual passer-by.
