The Universe is Speaking to You, A Spiritual book written about how to use Universal Energy to change your life. What if you were given the ability to change your life for the better; to create what you want for yourself? Most people are not aware that God has blessed us with the energy to design the lives we desire. All you need to do is pay attention to what the Universe is showing you. Wake Up! You can tap into the Universal Energy to enhance your love life, your career; anything that you wish. This energy was created for our use and its free! I was in my thirties when I recognized the Universal Energy and how to use it for my benefit. I explain in this book that there is an entire realm of energy here on earth for us to access; the energy that God intended for us to use. I take you on my personal journey so that you may see firsthand how I acquired this knowledge. As a professional business woman and a single mother of two, I had no choice but to pay attention to what the Universe was revealing to me. Intuitively, I understood and began absorbing these principles. Now I share with you what I have been blessed to learn. My wish is that these Universal laws will change many lives for the better. The fact that you are reading this information now about the Universal Energy means that you are meant to benefit from the Universal Energy. I am excited to share this information and wish you love and prosperity! And may God bless you with his...
